Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Examiner confirmed that he would withdraw finality, enter the after final amendment and send out a new office action. (Upon further review, the examiner did not withdraw finality because the final was necessitated by the amendment and thus was deemed proper, because the after final amendment did not put the case in condition for allowance; however the examiner never contacted applicant to indicate that he changed his position. Applicant's summary of the communications between applicant and examiner are correct.) .
